Poetry

Poems related to the medical experience, whether from the point of view of a health care worker or patient, or simply an observer, will be considered. Poems should be original, not previously published or under consideration elsewhere, and no longer than 44 lines. Authors should submit each poem separately (ie, one poem per submission record). Submissions containing multiple poems will be returned with instructions to split into individual files. All poems must be submitted online via the online manuscript submission and review system.

Questions about submitting poems (but not submissions) may be sent to jamapoems@jamanetwork.org.
